詹姆斯库克大学学校

James Cook University

On 20 April 1970, after a decade under the stewardship of the University of Queensland, James Cook University became a university in its own right.

James Cook University (JCU) is Australia's leading university for the Tropics. The University has encouraged and supported world-class research and exploration to meet the challenges facing the tropical regions of the world. Offering excellence in teaching and research, JCU is a vibrant university operating across two countries and four campuses in the North Queensland cities of Townsville, Cairns and Brisbane, and the city-state of Singapore.

James Cook University offers students a full range of courses from Foundation to PhD level. The courses are accredited by authorities in different professional fields. Excellence in Research for Australia (ERA) rated 83% of JCU's research fields as world-class or above. JCU received the highest possible rating, well above world standard, in the research areas of ecological applications, ecology, environmental science and management, fisheries sciences, geology, medical microbiology, organic chemistry and plant biology. Every field of research in medical and health sciences was rated world-class or above.

James Cook University in Singapore's business accreditation by AACSB International is an honour that represents excellence in business education. Less than 6 percent of the world's schools offering business degree programmes hold the prestigious AACSB business accreditation. Research centres in Singapore campus such as the Tropical Future Institute and the Centre for International Trade and Business in Asia provide world-class research and also disseminate advanced knowledge concepts.

巴斯大学

The University of Bath

The University of Bath is in the city of Bath, a UNESCO World Heritage site in southern England, known for being one of the safest, most culturally rich, and livable cities in the UK. The city boasts excellent transportation links, convenient shopping options, and a vibrant cultural and entertainment scene. The university is situated on a small hill to the east of the city, with a campus that resembles a natural park, offering a serene and beautiful environment.

We have four faculties: the School of Management, the Faculty of Engineering & Design, the Faculty of Science, and the Faculty of Humanities & Social Sciences. Nearly all our programs rank within the top 10 in the UK. Notably, subjects such as Architecture, Criminology, Marketing, Psychology, Sociology, Sports Science, and Mechanical Engineering are all ranked within the top three in the country, making us a small yet highly prestigious comprehensive university.

Established in 1966, the university's current Chancellor is Prince Edward, a member of the British Royal Family. With around 13,000 undergraduate students, less than 10% of whom are from China, the University of Bath provides a secure and enriching environment where students can focus on their studies, enjoy a high quality of life, and pursue their passions and dreams.

温哥华电影学院

Vancouver Film School

温哥华电影学院(VFS)在专业上的造诣和指导水平无与伦比。师资全部来自于游戏产业最前线，我们大师级的讲师和导师将直接提供给学生最专业的训练与指导。全职讲师为学生们提供更多“一对一”的交流互动时间；客座讲师作为游戏产业的核心成员，他们会更多地与学生分享最新的经验和成就。

温哥华电影学院被Princeton Review Journal评为加拿大第一的游戏设计学校。我们有无数活跃在产业里、就职于行业龙头企业的校友。游戏引擎巨头Unity举办的一年一度的Unity Awards学生比赛中, VFS游戏设计专业的学生共获得过4次冠军、7次提名，这个战绩目前没有任何其他学校可以超越，因此负责任地说，VFS游戏设计的学生就是同业标杆。

Game Design 游戏设计专业全面覆盖了游戏设计领域的各个方面，从关卡搭建、到桌游设计、游戏故事的发想与叙述，再到程序编写、游戏美工、游戏引擎、3D建模、游戏运营等等，从而完整全面地将学生培养成行业需要的人才。

Programming for Games, Web & Mobile 程序设计编程专业课程架构覆盖面广泛，从 C#到 C++, HTML5, Unreal & Unity, 手机开发, UI, 流水线。

Vancouver Film School

Vancouver Film School (VFS) offers unparalleled expertise and guidance in its specialized fields. All faculty members come from the forefront of the gaming industry, and our master-level instructors and mentors provide students with the most professional training and guidance. Full-time instructors offer more "one-on-one" interaction time with students, while guest lecturers, who are core members of the gaming industry, share the latest experiences and achievements with students.

VFS has been ranked as the top game design school in Canada by the Princeton Review Journal. We have countless alumni actively working in the industry, employed by leading companies. In the annual Unity Awards student competition hosted by Unity, a giant in game engines, VFS Game Design students have won four championships and received seven nominations—a record unmatched by any other school. Therefore, it is fair to say that VFS Game Design students are the benchmark in the industry.

Game Design Program comprehensively covers all aspects of game design, including level design, board game design, game storytelling, programming, game art, game engines, 3D modeling, and game operations. It aims to fully equip students with the skills needed to become industry-ready professionals.

Programming for Games, Web & Mobile Program is extensive, covering C#, C++, HTML5, Unreal & Unity, mobile development, UI, and pipeline management.
